OUTDOOR FURNITURE RANGE

OUR SOLID KWILA TIMBER
OUTDOOR FURNITURE IS A
GREAT ADDITION TO YOUR
GARDEN RETREAT OR FOR
CREATING THAT PERFECT SPACE
FOR OUTDOOR ENTERTAINING

KWILA IS REGARDED AS ONE OF THE WORLD'S MOST
DURABLE TIMBERS WITH A BEAUTIFUL GRAIN APPEARANCE

Kwila is a tropical hardwood that can be found only in selected and exclusive forests. Timber from the kwila tree has a high oil content which makes it perfect for outdoor furniture and is practically impervious to harsh weather and threats from insects.

We have an extensive range of directly imported kwila outdoor furniture. From large table and chair settings, to sun loungers and traditional park benches. Check out the collection here or come to our showroom and see it for yourself.
